

Under Armour® Project Rock True Wireless X - Engineered by JBL® In-Ear Sport Headphones

Wireless. Tough. Ready to work.

UA Project Rock True Wireless X offers a cable-free experience built for the grind. UA sweat & waterproof technology and Antibacterial Sport Flex Fit ear tips were crafted specifically for all condition training with a comfortable yet snug fit that provides Passive Noise Cancellation. JBL Charged Sound was tuned to maximize motivation, and Bionic Hearing features Talk Thru Technology so you can talk to your training partner, and Ambient Aware Technology to hear your surroundings for increased safety. With 50 hours of battery life and a durable aluminum charging case, there's nothing that will hold you back.

- ▶ Crystal Clear Calls with Dual Mics
- ▶ Google Fast Pairing
- ▶ UA MapMyFitness

Under Armour® Project Rock True Wireless X - Engineered by JBL® In-Ear Sport Headphones

Features and Benefits

Truly Wireless Built for the Grind

Compact and cable-free for zero distractions.

UA Waterproof Technology, High-Performance Design

IPX7 Sweat & Waterproof technology that works just as hard as you do.

Rock-tuned JBL Charged Sound

Bold sound tuned for sport with rich bass built for the grind.

Passive Noise Cancellation

Eartip design provides a snug seal to limit background noise for ultimate focus.

Bionic Hearing

With just one touch, Bionic Hearing allows you to hear your surroundings with two sound technologies. With TalkThru technology, music is lowered and speech is amplified for quick conversations between sets. Ambient Aware delivers a more immersive music experience with increased ambient sound for safety outdoors.

Antibacterial Sport Flex Fit Ear Tips

Winged ear tips that are easy to use for maximum security.

Independent Earbuds

With Bluetooth 5.0, make a call or listen to music on either bud independently. No need to worry about switching or missing a connection.

50 Hours of Total Battery Life

10 Hours of playtime + 40 additional hours in rugged aluminum case for charging on-the-go.

Aluminum Charging Case

Sleek aluminum sliding design is built to endure, charging your headphones quickly and safely. Type-C speed charging gets you fully charged earphones just in 2 hours.

Crystal Clear Calls with Dual Mics

Optimized quality powered by Dual Beamforming mics, and wind-blocking technology.

Google Fast Pairing

Hassle-free pairing with your device*

* Android 6.0 or above supported devices
